

Grant Scholarship PhD Student Recruitment

We are looking for a motivated and talented scholar who wants to pursue a **Ph.D. in Developmental Psychology** on the **social cognitive development in young children**.

This individual will work within the Ministry of Education Social Sciences and Humanities Research Fellowship “Children’s intelligence mindsets: Promoting gender diversity in STEM” with PI Assistant Professor Setoh Peipei at Nanyang Technological University (NTU), Singapore. This project aims to understand Singaporean children’s and adults’ ideas about intelligence.

The successful candidate will work under the supervision of the PI and collaborator Prof. Andrei Cimpian, New York University, to develop research that contributes to the broader project goals.

Pre-requisites:

- A Masters / 2nd Class Upper Honours Bachelor’s degree in Psychology, Cognitive Science, Neuroscience, or a related field.
- Excellent academic writing.
- Experience with independent social science research with children and/or adults.
- Excellent project management, problem-solving and multi-tasking skills.
- Proficiency with statistical analysis software (SPSS, R, Stata, etc.) is a plus.
- GRE (minimum requirement: Verbal & Quantitative Reasoning 319 out of 340 and Analytical Writing 3.5 out of 6.0)
- Excellent written and spoken command of English (IELTS: 7).

Location of the programme:

The candidate will be part of a vibrant pool of graduate students in the Psychology programme at NTU's School of Social Sciences. Click [here](#) for more details. Located in the heart of South-East Asia, Singapore is an ultra-modern city-state offering impeccable infrastructure, superb food, and celebrated multiculturalism. The climate is warm year-round. Nanyang Technological University, located at the west of the island, is the fastest-rising university in the world’s Top 50 and ranked 11th globally. NTU is also placed 1st amongst the world’s best young universities.

This Ph.D. position is funded full-time for a period of 4 years (fees and stipend included). Both Singaporean and international candidates are eligible to apply.

Interested candidates are requested to apply for admission online and send an email Dr. Setoh Peipei (psetoh@ntu.edu.sg) with their CV [Email Subject: **Ph.D. Scholarship Application**]. Application for the August 2021 intake closes on **30 November 2020**. Click [here](#) for more information on the application process and documents required. Click [here](#) for Information about the Early Cognition Lab’s research.
